SUBJECT: Money transmitted to Mr. Aradi

1. I have your memorandum of 19 August concerning \$100 in Italian lire transmitted through you to Mr. Aradi. The transaction was certainly sloppily handled but the money was delivered properly and is fully accounted for so that you may not be concerned about any responsibility on your part. I shall certainly see to it in the future that when we call on you to help us out we shall be thoroughly specific so that you can undertake the assistance with a minimum of confusion and delay.

2. Thanks very much for calling this situation to our attention.
